

JDGC Club Meeting 10/20/2009

We had our fourth club meeting of the year last Tuesday. This time we held the meeting at Quiznos on 32nd Street since they were one of our cash sponsors for the Four States Open.

The first thing we talked about was when to have winter club meetings since we would no longer be having them right after league night on Tuesday nights. The majority of the club members who were there decided to keep having our meetings on Tuesday nights but starting at 6:00 pm. There was also an idea to have our meetings at 4th Street Bowling on Monday nights which will have to be pursued further.

The next club meeting will be on November 17th, 2009. In this meeting we will be holding officer elections. Nominations for officers can be turned in at any time before this meeting.

The 2010 Club tournament is scheduled for December 5th, 2009 at McClelland Park.

We have been told that the Doug Joyce is still trying to work the JDGC into the ushering schedule at Memorial Hall. If the club is given this opportunity, it would be a great way to start raising money for new baskets.

There were talks about creating a points system for next year with all of our club tournaments to have a points champion at the end of the year.
