

## JDGC Club Meeting 6/16/2009

Doug Joyce, head of Joplin Parks and Recreation department, came to our club meeting. He is very interested in disc golf and trying to help us out in any way he can. One thing he mentioned which could be a possible fund raiser is club members working various events at Memorial Hall as ushers. Doug would like to get some signs put up throughout Joplin letting people know that there is a disc golf course out at McClelland Park as well as talking to someone at *The Joplin Globe* to try and get someone out to the course and maybe do an article.

A copy of *The Current* paper was shown with Kris Lowry's article about the introduction of disc golf. It also had information about our upcoming tournaments with our website posted in the article.

Many things were talked about with what we would like to see done to improve the course and to help the community, but our biggest focus right now is still the Four States Open tournament in September and more importantly sponsorships for the Four States Open tournament. Some club members asked when they should try and get some sponsorships and our response was the sooner the better.
